Blue Louie was formed in 1995 by Louie Jerger (vocals, guitar) and Marc Turner (guitar).

Joined by Charlie Bullard (drums) and Jason Rasberry (bass guitar), the band quickly became a seasoned professional touring act.

The band set out to bring a unique, high energy, brand of Texas blues-rock to the U.S. and Europe, from L.A. to Memphis to Paris, Moscow, and Madrid.

The veteran Texas blues-rock band continues to tour and is presently working on a new release set for early 2019.
